drinking water wells executed by the Revenue agency. This proposal, if sanctioned, would mean additional expenditure. As a rule the cooperation of the village Officers - Patels & Chaubhogue - is necessary and it should be obtained without any remuneration.

Moreover if it is sanctioned in one district, it will create an inconvenient precedent and it will have to be extended to the other affected districts. The question thus assumes a serious proportion. Under the circumstances the proposal may perhaps be vetoed.

FROM

S. HIRIANNAIYA, ESQ., M.A., B.L.,
DEPUTY COMMISSIONER, KOLAR DISTRICT.

TO

K. C h a n d y, Esquire, B.A.,

Revenue Commissioner in Mysore,

B a n g a l o r e.

SIR,

I have the honour to state that the works in connection with the Village Improvement Scheme and Drinking Water Wells in the District on account of the prevailing distress were hitherto being supervised by the village officers assisted by one or two leading persons of the village without any remuneration therefor.

2. Frequent representations have been made to me that unless some remuneration is paid to these supervisors, it will be difficult to expect any work from them. They cannot be expected to do honorary work every day for months. Under the circumstances, I would recommend that ten per cent of the outlay on a work may be permitted to be debited for supervision charges and the amount directed to be given to the village officers and their associates who are expected to maintain nominal rolls and acquittance rolls for the amounts disbursed daily.

3. Favour of early orders is solicited.

I have the honour to be,

S i r,

Your most obedient servant,

For. Deputy Commissioner,
Kolar District.
